The Moderator called for committee reports. The following reports were presented:

#### Temperance.

We, Your Committee on Temperance, report as follows:

We find that the laws of our State forbid the making, buying, selling, giving away, having in your possession, or on your premises intoxicative liquors of any kind, and we as Baptists believe in the enforcement and execution of the laws. Therefore we should see to it that the damnable stuff should be forever put from our midst.

We further believe that anyone who says he is a Baptist and refuses to assist in putting down this evil, should be forever denounced as a slacker and excluded from the church.

We further believe that God ordained that His church should be temperate in all things.

We believe that any officer refusing to do his duty in regard to the enforcement of the law relating to this, or any other violation, should be impeached.

We further believe that all citizens should be outspoken publicly, and above board against all evils of our country, and more especially Baptist, as God has committed the keeping of His statutes and laws unto us.

A. G. W. BYRAM,  
J. D. LONG,  
D. A. TRIM.

Report adopted.

#### **Baptist Literature.**

We, your Committee on Baptist Literature, submit the following:

The time has come when Baptists should wake up to a dilligence of duty. A great crisis is at hand when we should be well posted to be enabled to "Go Forward."

First: We would recommend the study of the Bible.

Second: We heartily recommend The Baptist Record, published at Jackson, Miss., and The Baptist Builder, published at Martin, Tenn.

Third: We recommend the literature published by the Southern Baptist Convention Board at Nashville, Tenn., to our churches for use in their Sunday Schools. We also recommend The Home and Foreign Fields, a paper published by the Convention Board in the interest of missions.

Respectfully submitted,

F. M. BLUNT,  
S. M. WEATHERFORD.

Report adopted.

The hour having arrived for preaching service, the Association adjourned its business session to meet at 1:30 P. M.

According to arrangement of the Devotional Committee Rev. Jeff Rogers of Amory, Miss., delivered a very touching sermon at this hour. He read 1st Chapter Romans, 1st Chapter 1st Cor., 26th Chapter Acts, and the 15th Chapter 1st Cor., upon which he based his able discourse. His sermon was deeply appreciated by all who heard it.

### MONDAY EVENING.

The body met according to adjournment. After a prayer by Rev. W. H. Hamilton, the Moderator declared the body ready to take up further business.

Call for reports from outstanding committees.

#### Missions.

Missions: The word signifies the act of sending, or being sent with certain powers, especially to propagate the religion of our Lord and Saviour. The Three Million Southern Baptists through their boards; The Home, Foreign, and State have reached large proportions these last few years, and the Baptist Seventy-five Million Campaign that has been launched is, in my judgment, the greatest undertaking the Baptist as a denomination has ever started and must be put "Over the Top" for Jesus. Will you bear your part of the work for the Master?

We would most heartily recommend to the pastors of our churches, that they teach the people their duty to the cause of missions.

Respectfully submitted,

R. L. PAGE, JR.,

Chairman.

Report adopted after a very touching and spirited appeal made in behalf of the 75 Million drive by Bro. J. E. Byrd, Assistant State Organizer.

#### Education.

We, your Committee on Education, submit this, our report:

We believe that man in his infancy is helpless and ignorant and since all knowledge and mental development

must be taught him before he is what God wants him to be, and because this is the most needy time in the history of our age for learned men, we most heartily recommend that this Association give its moral and financial aid to all our educational institutions, County, State and Denominational. We most earnestly insist in ministerial education.

Respectfully,

J. F. BENSON,

Chairman.

Report adopted.

### Orphanage.

We, your Committee on Orphanage, submit the following:

Whereas, God in His providence has put it into the hearts of the Baptists of Mississippi to erect and maintain an orphanage, we believe it to be our duty to aid in supporting the same. We earnestly recommend that the churches of this Association contribute of their means to the support of this worthy cause.

Respectfully submitted,

M. B. WADDLE,

Chairman.

Report adopted.

### Ministerial Support.

In the various callings of life, God has ordained that the laborers are worthy of their hire, and we believe that this must be the last of the arts to be developed.

If our ministers were aided more financially they could do more. We could strengthen our states and enlarge our tents. We most earnestly urge a hearty co-operation in this great cause.

Respectfully,

R. L. PAGE, JR.

Report adopted after discussion by Rev. W. W. Jarrels and Rev. J. F. Benson.

### MONDAY NIGHT.

A large congregation assembled to hear Rev. G. W. Guntharp who was selected to preach at this hour. After a good song-feast enjoyed by all, Brother Guntharp read the 72nd Psalm. He used the 16th verse as a text for his discourse.

Respectfully submitted,

J. L. YARBER,  
W. P. TAYLOR.

Report adopted.

### Church Discipline.

We, your Committee on Church Discipline, report as follows:

We believe that our church should be so disciplined that the members would live up to their full Christian duty. Any member failing to live up to the requirements of our discipline, which is the Bible, should be dealt with accordingly.

We further believe that as Baptists the churches of our Association should be more loyal and willing to do the thing that our Lord has said for us to do.

Respectfully submitted,

O. L. YARBER.

Report adopted.

No report was received from the Executive Committee of the First District.

A motion prevailed to discharge the Executive Committees of each district, and appoint a committee of five to act as an Associational Committee, with the Moderator as chairman, to lay plans for, and employ a missionary worker for this Association.

Rev. J. F. Benson, acting as Moderator, appointed D. W. Graham and Wm. M. Pugh to serve as members from the First District and A. G. W. Byram and J. R. Bickerstaff to serve as members from the Second District.

### Sacred Music.

We, your Committee on Sacred Music, report as follows:

We believe that Sacred Music is a Divine art given from God to man, and is last of the arts to be developed.

Therefore, we recommend that all religious worship should be introduced by spiritual songs, because God requires our first service in honor to His Son, our Lord, Christ Jesus.

We would further recommend that each church adopt "Gospel In Song," a book published by R. L. Page Music Co., Belmont, Miss.

Respectfully submitted,

O. L. YARBER,

J. R. BICKERSTAFF.

Report adopted.

The body was next reminded of an obligation incurred two years ago when this body sent Rev. J. A. Conwill to the State Convention as its representative and agreed to pay his expenses. The amount involved was said to be \$18.50. A collection was taken and \$18.74 was given for this purpose.

### Nominations.

We, your Committee on Nominations, find that Salem and Belmont are asking for the next meeting of the Association. Rev. C. C. Clark, Introductory Preacher; Rev. J. T. Robinson, Alternate. Rev. J. F. Benson, Missionary

Preacher; Rev. J. A. Conwill, Alternate. Missionary Sermon to be delivered 11 A. M. Sunday.

M. B. WADDLE,  
S. M. WEATHERFORD.

Report adopted.

Belmont was selected as the place for the next meeting of the Association.

### Sunday Schools.

We your Committee on Sunday Schools report as follows:

We very much indorse Sunday School, as the church at work, teaching the Gospel of Christ to the rising generations. Therefore, let us as Christians put forth all our efforts in training our children in the way they should go, and when they grow old they will not depart therefrom. Therefore, it is a great help to win them from idleness, ignorance, and sin, by placing their souls in the glorious light of the Gospel truths, freeing them from error and heresy, and training them for the future.

We are sorry to report that this great work is being sadly neglected, as there are only three active Sunday Schools reported in this Association.

Therefore, let us all awake to a more active part in this, our neglected duty.

J. R. BICKERSTAFF,  
C. L. GRAHAM.

Report adopted.
